Seasoning of a foreclosure, deed-in-lieu, or short sale is measured from the date of completed sale or final property transfer. The Housing Event must be completed prior to loan closing with no outstanding deficiency balance remaining.

For a 120-day mortgage late, seasoning is from the date the mortgage was brought current.

Seasoning for a modification is from the date the modification was executed.

If the property was surrendered in a Chapter 7 bankruptcy, the bankruptcy discharge date is used for seasoning. Bankruptcy papers may be required to show the property was surrendered. The foreclosure action is not required to be fully complete.
